eurofins | certification

Certificate

Awarded to:

Shaanxi Healthful Bioengineering Co., Ltd

C1 Building, Free trade street,Torch Industrial Park, Yangling, China

NON-GMO CONTROL eurofins certification

Organization certified for compliance with the Control Program of the Eurofins IP Standard
Scope available upon request to certification@eurofins.com

For compliance with the following program:

IP Control Program

According to:

Eurofins Identity Preservation Standard issue 5.1, March 2014

Audit date:
5 September 2020

Certificate issue date:
12 October 2020

Certificate expiry date:
30 December 2021
Subject to further compliance with the standard requirements

Re-audit due date:
From the **7 November**
to the **27 November 2021**

Audit scope:

Production of Non-GM phytosterol, phytosterol ester, Natural Vitamin E, Medium Chain Triglycerides (MCT) oil powder and Natural Vitamin E powder, Branched Chain Amino Acid (BCAA) powder or granules, Phytosterol (solid beverage), Aloe vera gel powder or granules (solid beverage), Phaseolus vulgaris powder or granules (solid beverage), Ferulic acid.*

Max 0,6% of adventitious and technically unavoidable presence of GM, confidence level 99%

Agreement #: G-0463
Certificate - Register # : 594620J
* For detailed description of the scope, refer to certificate attachment.

(Certificate – Register #594620J– Shaanxi Healthful Bioengineering Co., Ltd - C1 Building, Free trade street,Torch Industrial Park, Yangling, China.

Name of program:

IP control program for the production of Non-GM phytosterol, phytosterol ester, Natural Vitamin E, Medium Chain Triglycerides (MCT) oil powder and Natural Vitamin E powder, Branched Chain Amino Acid (BCAA) powder or granules, Phytosterol (solid beverage), Aloe vera gel powder or granules (solid beverage), Phaseolus vulgaris powder or granules (solid beverage), Ferulic acid.

		Type/Growing region/First processing place	Related finished products
1	Raw materials and related finished products	-Soybean crude phytosterol: Soybean planted in Northeast and Northwest of China. -Pine phytosterol: Pine trees planted in California coast, Southeastern United States, American Caribbean region.	Phytosterol
		-Soybean phytosterol: Soybean planted in Northeast and Northwest of China. -Pine phytosterol: Pine trees planted in California coast, Southeastern United States, American Caribbean region. -Sunflower oil fatty acid: Sunflower seeds planted in Germany -Rapeseed oil fatty acid: Rapeseed planted in Northeast and Northwest of China	Phytosterol ester
		Mixed tocopherols: Soybean planted in Northeast and Northwest of China	Natural vitamine E
		-MCT oil: Palm kernel oil or coconut oil. Palm are planted in China (Hainan, Taiwan, Yunnan, Guangxi, Fujian, Guangdon), Malaysia, Indonesia and coconut is planted in Indonesia, Philippines, India, Sri Lanka, Malaysia, China (Hannan, Guangdong). -Acacia gum: Alloy huan tree planted in Sudan. -Starch sodium octenylsuccinate: Potato planted in Northeast China, corn planted in Iowa, Illinois, Nebraska and Minnesota or cassava planted in Thailand. -Maltodextrin: Corn planted in Northeast China and Iowa, Illinois, Nebraska and Minnesota -silicon dioxide	MCT oil powder
		-Natural Vitamin E, Sodium octenyl succinate starch (cassava), maltodextrin -Natural Vitamin E, Acacia gum	Natural Vitamin E powder
